HTML5-CSS3 Internship
Voter Registration Form

This document will guide you with designing a registration form using html5 and css3

The demo version of this form is a look-alike of FORM6 as shown on NVSP Service Portal visit https://www.nvsp.in/

The webpage consists of three sections header, section, and the footer.
The header encloses the site logo and name as shown in Figure a.

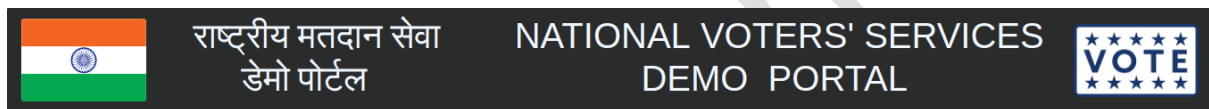

Figure a.

The Section contains elements like text element, select, buttons, file element, radio buttons, checkboxes, links, file input element etc. as shown in Figure b., Figure c. and Figure d.

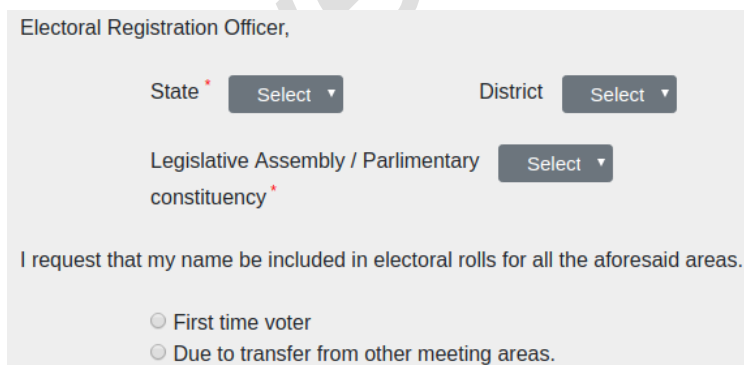

Figure b.

Figure c.

Figure d.

Figure e.

Above image represents footer containing copyright info of your website.
